Reduce Your Student Loan Debt By 65%

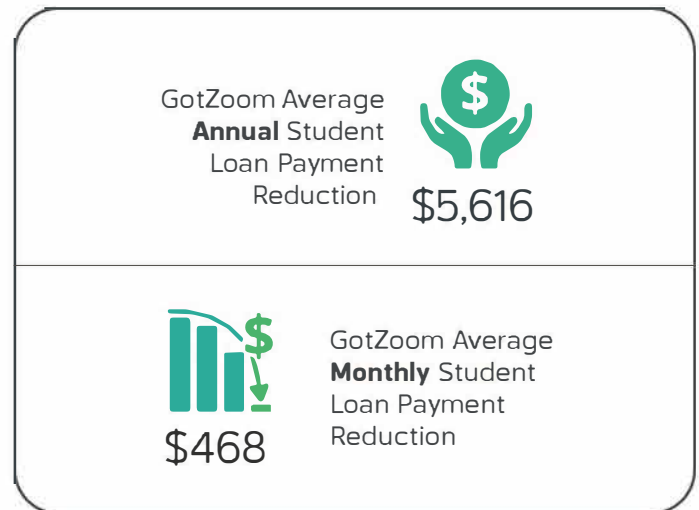

The Facts

- Only 2 out of 10 borrowers take advantage of the available debt reduction and loan forgiveness programs
- 44 Million Americans have federal student loans
- The average debt level is \$37,414

The Best Solution

GotZoom was created to fill a critical void. Student loan debt is our country's second largest debt class behind mortgages

- With nearly 70 federal student loan repayment and forgiveness programs in place today the options to reduce your student debt are exceptional
- GotZoom finds the best program options that suit your needs, confirms eligibility and facilitates all the administration

What's GotZoom?

- The leader in student debt reduction services
- An established company with a seven year track record of performance and customer satisfaction

Why We're Better?

- We'll find the best federal repayment and/or loan forgiveness programs to maximize your debt reduction in the short-term
- GotZoom is not a lender seeking to refinance your debt

Employee Benefits

- Average student debt reduction of 65%
- We provide you upfront visibility to the savings you can expect

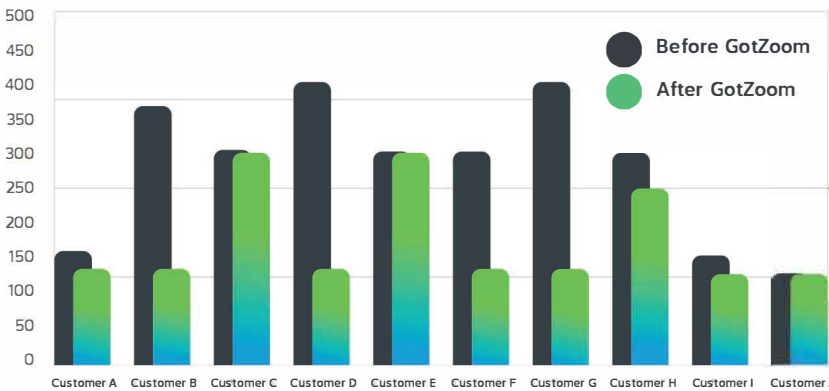

Simplicity

- The GotZoom customer service teams provide all the facts and pros/cons so that selecting the best program is simple.

Billions Go Unclaimed Each Year

The Facts

- Better Results:**
 GotZoom delivers more. In 2017, the savings realized by our clients increased again to a 65% ave. debt. reduction.
- Multiple Benefits:**
 Reducing your monthly payment is important but many GotZoom clients can also benefit from a shorter loan term and/or reduced total debt level.
